Dear Mr. Gutierrez:

This is written in reply to your letter dated 23 April 1949, relative to the return and final burial of your son the late Private First Class Juan F. Gutierrez.

It is indeed regretted that a misunderstanding has developed regarding the transference of certain records pertaining to the return of your son's remains to the United States. Inasmuch as the Distribution Center, now located at Fort Worth, is to be closed soon, all records are being sent to the Distribution Center located at the Oakland Army Base, Oakland, California. The transfer of records has no relation to the time of return of the remains to this country. The records will be held in a suspense file until a passenger list is received from the overseas port indicating which returning ship is bearing the remains. Upon receipt of the passenger list, a telegram will be dispatched to you announcing the arrival of remains in the United States and asking for any change or confirmation of your original plans. Then as soon as possible thereafter, your late son will be escorted to Santa Fe, New Mexico.

If there are any other questions you may have regarding the Return Program do not hesitate to contact the Chief, American Graves Registration Division, Oakland Army Base, Oakland 14, California. The telephone number is TWInoaks 3-4100, extension 6223.

Yours very truly,

My dear Mr. Guttierrez:

This office is in receipt of advanced planning information with reference to the future return of the late Pfc. Juan F. Gutierrez. This advanced information serves merely to permit a planning phase for the eventual future return of the honored World War II Dead, and is not to be taken as any definite assurance that the remains of Pfc. Due to climatic conditions in foreign lands, political disruptions and general elements, the schedule of exhumation for the return of the World War II Dead is only tentatively firm. Thusly, the date of actual return of the deceased cannot, at this time, be definitely established but, in order to contact you properly at the time of actual return, it is mandatory that we ascertain the correctness of your address for mailing purposes and purposes of forwarding to you the necessary telegrams at the appropriate time.

If the given address that this office has used to forward this letter to you as the next of kin is wrong, or in error, then it is requested that you kindly inform this office of your present correct address. In the event that you are planning a visit, vacation or business trip for an extended period of time or plan for any reason to leave your present address for any new temporary or permanent change of address, it is sincerely requested of you that you notify this office of every change of address that takes place.

We are accomplishing this request in order to be absolutely certain that you, as legal next of kin, will be promptly contacted by this Graves Registration Division when necessary upon the return of Pfc. Gutierrez. Your cooperation in this will greatly assist this office in contacting you, and the undersigned assures you our complete and whole-hearted cooperation if you will advise us of the address changes, if any, that takes place from this date on.

Please feel free to contact this office at your earliest convenience with reference to any pertinent problems that you may have concerning the return of the above mentioned deceased, and direct all replies to "Chief, American Graves Registration Division, Utah General Distribution Depot, Ogden, Utah. Dear Mr. Gutierrez:

Your letter pertaining to the remains of your son, the late Private First Class Juan F. Gutierrez, has come to my attention.

The present plans of the Return of World War II Dead Program indicate that the remains interred in the United States Armed Forces Cemetery, Manila #2, Philippine Islands, have been exhumed.

Although the "Request for Disposition of Remains" form for the remains of your son has been accepted, and his remains will be returned to the United States for permanent interment in the Santa Fe National Cemetery, Santa Fe, New Mexico, at this time I am unable to give you an approximate date for the return of the remains of your loved one. Our return program is being accelerated and every effort is being made to expedite the return of our honored dead to their homeland. I can only reassure you that the Commanding Officer of the Distribution Center will notify you of the arrival of the remains of your son and of the expected date of delivery of the remains at the destination previously named by yourself. You will be afforded ample time to complete all funeral and other personal arrangements that you may desire.

Please be assured of my continued sympathy in your great loss.

Sincerely yours,

Dear Mr. Gutierrez:

The people of the United States, through the Congress have authorized the disinterment and final burial of the heroic dead of World War II. The Quartermaster General of the Army has been entrusted with this sacred responsibility to the honored dead. The records of the War Department indicate that you may be the nearest relative of the above-named deceased, who gave his life in the service of his country.

The enclosed pamphlets, "Disposition of World War II Armed Forces Dead," and "American Cemeteries," explain the disposition, options and services made available to you by your Government. If you are the next of kin according to the line of kinship as set forth in the enclosed pamphlet, "Disposition of World War II Armed Forces Dead," you are invited to express your wishes as to the disposition of the remains of the deceased by completing Part I of the enclosed form "Request for Disposition of Remains." Should you desire to relinquish your rights to the next in line of kinship, please complete Part II of the enclosed form. If you are not the next of kin, please complete Part III of the enclosed form.

If you should elect Option 2, it is advised that no funeral arrangements or other personal arrangements be made until you are further notified by this office.

Will you please complete the enclosed form, "Request for Disposition of Remains" and mail in the enclosed self-addressed envelope, which requires no postage, within 30 days after its receipt by you? Its prompt return will avoid unnecessary delays.

Sincerely,

THOMAS B. LARKIN

Dear Mr. Gutierrez:

Your letter pertaining to the remains of your son, the late Private First Class Juan F. Gutierrez, has come to my attention.

The Return of World War II Dead Program provides for the return of the deceased and their return to the next of kin in an orderly sequence of the cemeteries in which they now rest. The magnitude of this world wide Return Program, already in progress, requires close adherence to predetermined schedules respecting exhumation, supplies, labor, transportation and weather.

Because these schedules are subject to unforeseen and unpreventable delays, it is impossible to predict when the remains of your son, the late Private First Class Juan F. Gutierrez, may be returned to you. A definite date for their return will be transmitted to you later but sufficiently in advance to permit such funeral and personal arrangements as you may desire.

Meanwhile please rest assured that every possible effort is being made to speed their return in the reverent and dignified manner due the honored dead.

Please rest assured that we will assist you in every possible manner.

Sincerely yours,

Dear Mr. Gutierrez:

Thank you kindly for your letter concerning your son, the late Private First Class Juan F. Gutierrez.

The War Department has now been authorized to remove, at Government expense, to the place designated by the next of kin, the remains of those of our American citizens who gave their lives overseas during World War II.

I regret to inform you that, at the present time, it is not possible to give you the exact date the remains of your loved one will be returned.

I am sure you understand that, while this program is already in effect, it is necessary to thoroughly verify our records. Upon completion of this verification, the "Letter of Inquiry -- Return of World War II Dead" will be mailed to the next of kin of those deceased Americans for whom verified burial information is of record in our office. In accordance with the present schedule, the remains are to be returned by cemeteries, and prior to the evacuation date of each cemetery, these Letters of Inquiry will be mailed to the next of kin giving them the opportunity to express their final and detailed desires concerning the last resting place of the remains of their loved one.

Please be assured that the remains returned to you will be those of your son, as he was properly identified by his tooth charts.

If we can assist you further, please feel free to contact us at your convenience.

IDENTIFYING DATA

1. Reports of Re-interment in US Military Cemetery, Manila #2, Luzon, P.I., for each of the deceased listed in the attached roster (Incl #1).

a. All Reports of Re-interment indicate an Unknown X-Number and the name of a deceased member of the U.S. Armed Forces.

b. All Reports of Re-interment indicate that the original burial was in the American POW Cabanatuan Camps 1 & 3 Cemeteries and the plot, row and grave from which the deceased was disinterred.

c. All Reports of Re-interment indicate the place of death to be Cabanatuan Prison Camps 1 & 3, Luzon, P.I.

d. All Reports of Re-interment indicate the date of death to be within the period of time that the Cabanatuan Prison Camp was in operation as a POW Camps.

e. The majority of Reports of Re-interment indicate that the original burial reveals more common graves than individual burials.

f. All Reports of Re-interment contain a tooth chart of the deceased concerned.

2. Photostat list taken from original notebooks which contained the death records of Cabanatuan Camps No. 1 & 3, was compiled by Captain Robert E. Gonn, Jr. during his internment at Cabanatuan (Incl #3). The original notebooks were used by the War Crimes Commission in connection with the trial of General Homma.

3. Roster of individuals originally interred in the American POW Cabanatuan Camps 1, 2 & 3 Cemeteries, indicating in some instances the grave location (See Incl #2). This roster was received from the Mira Loma Depot, California, and constitutes a part of the records of an inactivated unit, the 111th QM Graves Registration Platoon. The cover letter of the roster was signed by Maurice S. Beard, 2nd Lt. CMS.

RESULTS OF INVESTIGATION

1. AGO Reports of Death are on file for each of the deceased listed in Incl #1. The place of death and the date of death as shown on each Report of Re-interment agrees with the place and date of death indicated on the AGO Reports of Death.

Camp Cabanatuan, Manila #2, Luzon, P.I. (Results of Investigation, cont'd)

2. The grave location indicated on the face of each of the Reports of Re-interment agrees with the grave location on the original Roster of POW Internments at Cabanatuan POW Camps 1, 2 & 3, (Incl #2), where indicated. Grave markings for the common and individual graves were not used until 30 July 1942. Until this date, 1260 deceased were interred in Cabanatuan POW Camps 1, 2 & 3 in common graves without markings.
3. A letter was obtained from Captain Conn, (Incl #4), mentioned in paragraph 2 directly above, the person directly responsible for the compilation of Death Records in Cabanatuan (Incl #3), which states that he, Captain Conn, sincerely believes the roster burials (Incl #2) is accurate.
4. A signed statement by Lt. Col. John K. Borneman, Ch.C., O-266084, (Incl #5) TDY to this office, substantiates that he, as one of the 14 functioning Chaplains of Cabanatuan Prison Camp, conducted services for many of the deceased listed on attached roster (Incl #1). He also confirms the fact that Captain Robert E. Conn, Jr., was directly responsible for the gathering and recording of information shown on Death Records of Cabanatuan (Incl #3).
5. Dental Records for each deceased indicated on the inclosed roster (Incl #1) were obtained from AGO Demobilized Records Branch, St. Louis, for a comparison with the dental charts made on the reverse side of the pertinent Report of Re-interment. A verified comparison was made in each case by Colonel George L. Kennebeck, DC., and Major Donald C. Shenberger, DC., and a signed certificate to this effect attached to each case.

BASIS FOR IDENTIFICATION

1. Agreement of AGO Report of Death and Report of Re-interment as to place of death and date of death in each case.
2. Agreement of the original grave locations noted on the Reports of Reburial in Manila #2, with the roster of burials (Incl #2), and Death Reports of Cabanatuan 1 & 3 (Incl #3).
3. Statement by interested parties (Incls #4 & #5) that the roster of burials is authentic.
4. Verified tooth chart comparisons on the names listed on Incl #1. The comparisons as made are in agreement with grave location indicated on the roster of burials (Incl #2).

CONCLUSION

In view of the above indicated facts, it is determined that the remains now interred as Unknowns in US Military Cemetery, Manila #2, as indicated on the inclosed roster (Incl #1), are those of the deceased whose names are listed on the same line of the roster.

Camp Cabanatuan, Manila #2, Luzon, P. I. (Results of Investigation, cont'd).

Although there are 2,663 deceased listed on the roster of burials for Cabanatuan POW Cemetery, 1,575 are cases to be identified by this office. The remaining deceased have either been identified or there is no Report of Internment covering the case on file in this office. This case history covers the identification of 287 of the total 1,575 to be identified. The number of case remaining to be identified, 1288 are not being presented as part of this case history as further investigation is necessary to complete the cases. It is felt that the 287 covered by this case history should be approved as soon as possible in order that each pertinent next of kin may be notified at an early date.
