Mrs. Ruth Lobdell
512 Geneva Street
Delavan, Wisconsin

Dear Mrs. Lobdell:

The Department of the Army desires that you be informed of the final determination of the investigation in the case of your son, the late Private First Class Lloyd J. Lobdell.

Full consideration has been given to all available information pertaining to your son since he died while a prisoner of the Japanese Government. According to information obtained from the Cabanatuan Prisoner of War Death Report, your son died on 19 November 1942, as a result of beri beri at Cabanatuan Prisoner of War Camp, Luzon, Philippine Islands.

Subsequent to the reported death of your son, units of the American Graves Registration Service disinterred all remains from the Cabanatuan Prisoner of War Cemetery and removed them to the American Graves Registration Service Mausoleum, Manila, Philippine Islands. In an effort to establish and/or verify identifications, these remains were subjected to exhaustive investigations, including processing by anthropologists and medical, dental and laboratory technicians in our Central Identification Laboratory at Manila. Our investigations have been completed and it is with regret that I must inform you that it has been impossible to identify any of the recovered remains as those of your son.

After a detailed study of the negative results of the investigations and the pertinent facts regarding the case, the Department of the Army has been forced to conclude that the remains of your son are not recoverable. I wish to assure you that, should any additional evidence come to our attention indicating that his remains are in our possession, you will be informed immediately.

Realizing the extent of your grief and anxiety, it is not easy to express condolence to you who gave your loved one under circumstances so difficult that there is no grave at which to pay homage. May the knowledge of your son's honorable service to his country be a source of sustaining comfort to you.

Sincerely yours,

J. F. VOGL

WAID, Charlie M.	Pvt.	19 049 058

BASIS FOR DECLARING REMAINS NON-RECOVERABLE

1. Attached extracted copies of two (2) Cabanatuan POW Camp rosters indicate that the above listed personnel died at Cabanatuan POW Camp, Province of Nueva Ecija, Philippine Islands on 19 November 1942. This information is in agreement with the data shown on the attached OQMG Forms 371, except for Cpl. John W. Ruark, 278 681, and Pvt. Charlie M. Waid, 19 049 058, who were determined dead as of 9 July 1943 and 9 November 1943, respectively.

2. Investigation of these cases reveal the following information:

a. Subject personnel are indicated on "Cabanatuan POW Camp Death Report" to have been buried together with five (5) other casualties in Communal Grave No. 717, Cabanatuan POW Cemetery. This grave has been disinterred and resulted in the recovery of fourteen (14) remains; four (4) of which are "Knowns" and ten (10) as "Unknowns". The ten (10) unidentified remains have previously been recommended for individual and group identifications as the remains of YORK, George Sr., Civ. Employee, and the above listed personnel, respectively. These recommendations, however, were disapproved per OQMG letter dated 10 November 1949.

Cabanatuan POW Camp Casualties.

b. Due to the absence of OQMG Form 371 for George York Sr., Navy Civilian Employee, same is not being considered by this Board as non-recoverable.

c. It has not been possible to definitely associate the above listed personnel with any other remains recovered from Cabanatuan POW Camp Cemetery.

3. Findings and recommendations are based on all information presently available.

4. It is recommended that the remains of the above listed casualties be considered non-recoverable and that all records pertaining to search for and recovery of their remains be closed.

Mrs. Ruth Lobdell,

Delavan, Wisconsin

Dear Mrs. Lobdell:

It is with reluctance that I write to you about your son, Pfc. Lloyd J. Lobdell, 20645267, who died as a prisoner of war in the Philippine Islands.

There has been forwarded to this office a burial form for a deceased member of the Armed Forces with certain identifying information which leads us to believe the remains might possibly be those of your loved one. A dental chart was included with the burial report showing fillings and missing teeth. This work was apparently performed by a civilian dentist.

It will be of the utmost value to this office if you can secure from the civilian dentist who treated the decedent, a copy of the chart which is usually retained by him as a matter of record, and which usually shows work performed for each patient.

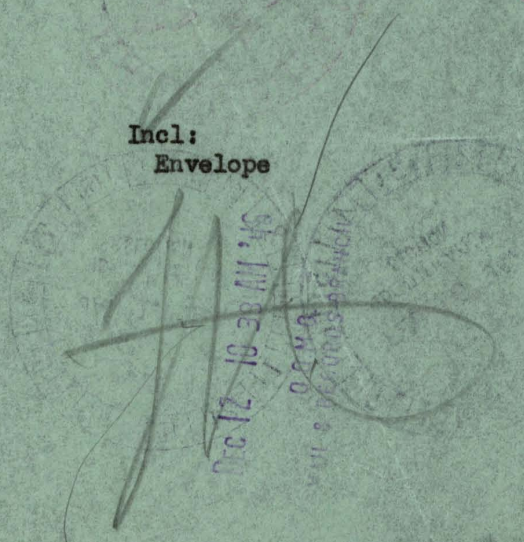

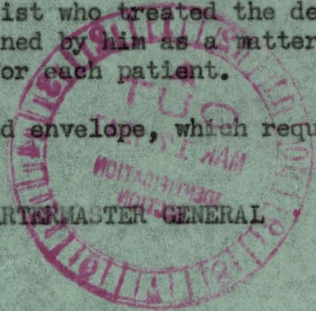

A self-addressed envelope, which requires no postage, is inclosed for your convenience.

FOR THE QUARTERMASTER GENERAL

Sincerely yours,

Dear Mrs. Lobdell:

This office promised that upon receipt of burial information concerning your son you would be advised.

The death registers maintained at the Cabanatuan prisoner of War Camp, Philippine Islands indicate that the remains of your son were buried in Grave 717, at the Cemetery at the Cabanatuan prisoner of war Camp. The American Graves Registration Service in the Philippine Islands is now attempting to verify this information, to identify the remains of all those who died while prisoners of the Japanese, and to reinter them in an established Military Cemetery where the preservation of their identity may be assured. Constant and proper care can then be given to their graves until the time of repatriation. When information concerning the reburial of the remains of your son is received in this office, you will be informed.

FOR THE QUARTERMASTER GENERAL:

Sincerely yours,

Dear Mrs. Lobdell:

Your letter has been referred to this office for reply relative to the burial of your son, the late Private First Class Lloyd J. Lobdell.

It is regretted to have to advise you that, up to the present time, information pertaining to the burial of the remains of your son has not been received in this office. However, an effort is being made to obtain a report covering the disposition of the remains and upon receipt of such information you will be advised.

Please accept my sincere sympathy in the loss of your son.

Dear Mrs. Lobbell:

Reference is made to your letter addressed to The Adjutant General's Office, Washington, D. C., requesting additional information regarding the death of your son.

I wish very much that it were possible to give you further details concerning the death of your son, Private First Class Lloyd J. Lobbell, Army serial number 20 645 267, Infantry. I regret, however, that no information other than that previously furnished you has been received. I am sure you will appreciate the difficulty involved in obtaining information when the War Department must depend on the facts being furnished by a government with which we are at war. Since the report of your son's death was furnished by the Japanese Government through the International Red Cross, no further information is expected unless received through that source.

The Quartermaster General of the Army, Washington 25, D. C., has jurisdiction over matters pertaining to the burial of our military personnel who die overseas. A copy of your letter has accordingly been forwarded to that officer for necessary action.

Permit me to extend my sympathy.

Sincerely yours,
