Mrs. Jeannie Paige

Dear Mrs. Paige:

The Department of the Army desires that you be informed of the final determination of the investigation in the case of your brother, the late Private Charlie M. Waid.

Full consideration has been given to all available information pertaining to your brother since he died while a prisoner of the Japanese Government. According to information obtained from the Cabanatuan Prisoner of War Death Report, your brother died on 19 November 1942, as a result of beri beri and inanition at Cabanatuan Prisoner of War Camp, Luzon, Philippine Islands.

Subsequent to the reported death of your brother, units of the American Graves Registration Service disinterred all remains from the Cabanatuan Prisoner of War Cemetery and removed them to the American Graves Registration Service Mausoleum, Manila, Philippine Islands. In an effort to establish and/or verify identifications, these remains were subjected to exhaustive investigations, including processing by anthropologists and medical, dental and laboratory technicians in our Central Identification Laboratory at Manila. Our investigations have been impossible to identify any of the recovered remains as those of your brother.

After a detailed study of the negative results of the investigations and the pertinent facts regarding the case, the Department of the Army has been forced to conclude that the remains of your brother are not recoverable. I wish to assure you that, should any additional evidence come to our attention indicating that his remains are in our possession, you will be informed immediately.

Realizing the extent of your grief and anxiety, it is not easy to express condolence to you who gave your loved one under circumstances so difficult that there is no grave at which to pay homage. May the knowledge of your brother's honorable service to his country be a source of sustaining comfort to you.

Sincerely yours,

J. F. VOGL

BASIS FOR DECLARING REMAINS NON-RECOVERABLE

1. Attached extracted copies of two (2) Cabanatuan POW Camp rosters indicate that the above listed personnel died at Cabanatuan POW Camp, Province of Nueva Ecija, Philippine Islands on 19 November 1942. This information is in agreement with the data shown on the attached OQMG Forms 371, except for Cpl. John W. Ruark, 278 681, and Pvt. Charlie M. Waid, 19 049 058, who were determined dead as of 9 July 1943 and 9 November 1943, respectively.

2. Investigation of these cases reveal the following information:

a. Subject personnel are indicated on "Cabanatuan POW Camp Death Report" to have been buried together with five (5) other casualties in Communal Grave No. 717, Cabanatuan POW Cemetery. This grave has been disinterred and resulted in the recovery of fourteen (14) remains; four (4) of which are "Knowns" and ten (10) as "Unknowns". The ten (10) unidentified remains have previously been recommended for individual and group identifications as the remains of YORK, George Sr., Civ. Employee, and the above listed personnel, respectively. These recommendations, however, were disapproved per OQMG letter dated 10 November 1949.

Dear Sir:

Following up my letter to you of May 27th, I regret very much to inform you that the dental office where my brother, Charles M. Waid had his dental work performed, has informed me that they have no record of this work.

As mentioned to you in my letter of May 27th, I would greatly appreciate your communicating with me in all matters pertaining to my brother, as my mother has passed away.

My brother mentioned in a letter to me that he had been called before his Company and awarded a medal for bravery under fire -- and that he had to sign the papers for this medal. This, of course, was just before the fall of Bataan. Would you have any record of this, and would it be possible for me to receive this medal? It would mean so much to me.

I am so sorry that I have been unable to be of help to you and myself in securing the dental records, and I do appreciate the efficient and kindly way the Government and Army officials have shown in every way.

Sincerely yours,

Jeanne Paige

Dear Sir:

Your letter of December 18th, 1946, addressed to my mother, Mrs. Emma Densmore, has been referred to me.

I am very sorry that this letter was not turned over to me sooner, so that I could have given you a more prompt reply; but my mother, Mrs. Densmore, is deceased, and this letter was not turned over to me until recently by the people now living at her address.

I have written the dentist in Los Angeles who worked on my brother's teeth, and hope to get some reply from him, at which time I will notify you immediately of any information.

Will you be good enough to change your records so that you will advise me of any information you require regarding my brother, as I am the beneficiary of his insurance and his closest relative.

Dear Mrs. Densomore:

It is with reluctance that I write to you about your son, Pvt. Charlie M. Waid, 19049058, who died as a prisoner of war in the Philippine Islands.

There has been forwarded to this office a burial form for a deceased member of the Armed Forces with certain identifying information which leads us to believe the remains might possibly be those of your loved one. A dental chart was included with the burial report showing fillings and missing teeth. This work was apparently performed by a civilian dentist.

It will be of the utmost value to this office if you can secure from the civilian dentist who treated the decedent, a copy of the chart which is usually retained by him as a matter of record, and which usually shows work performed for each patient.

A self-addressed envelope, which requires no postage, is inclosed for your convenience.

Dear Madam:

The Army Effects Bureau has received and now has in storage a few small items of personal property belonging to Private Charlie M. Waid. Our present information indicates that Private Waid has been reported missing in action in the Philippines.

It is our desire that some close relative store and keep this property, pending the receipt of additional information which will enable that relative or this Bureau ultimately to make proper distribution of the property. If you have any letter or other written instrument from Private Waid indicating with whom he wishes his belongings stored, I wish you would forward such paper to me. After examining it, I will return it promptly.

I would appreciate it if you would also be so kind as to give me the following information, and any other information which you deem important:

1. What is your relationship to Private Waid?
2. Is he married? If so, what is his wife's name and address?
3. What are the names and addresses of his closest relatives; i.e., oldest adult child, mother, father, oldest sister, oldest brother, et cetera.
4. Would you personally be willing to receive, receipt for, and safely keep and store his property as a gratuitous bailee?
5. If the property is delivered to you, will you agree to return it to him, his personal representative or the Army Effects Bureau upon request?

Please be assured that this communication does not purport to indicate that Private Waid is a casualty. Our only information is that he is missing. The sole purpose of this letter is to acquire information to enable us to make shipment to the person or persons with whom he would want his property stored.

WAR DEPARTMENT

You will be most helpful to us in giving the above information, and your cooperation will be appreciated. If you so desire, you may use the reverse side of this letter for your reply. For your convenience, an addressed envelope requiring no postage is inclosed.

In closing, I wish to state that I regret the circumstances necessitating this letter, and I sincerely hope that Private Waid is not a casualty.
