IDENTIFYING DATA

1. Reports of Re-interment in US Military Cemetery, Manila #2, Luzon, P.I., for each of the deceased listed in the attached roster (Incl #1).
 - a. All Reports of Re-interment indicate an Unknown X-Number and the name of a deceased member of the U.S. Armed Forces.
 - b. All Reports of Re-interment indicate that the original burial was in the American POW Cabanatuan Camps 1 & 3 Cemeteries and the plot, row and grave from which the deceased was disinterred.
 - c. All Reports of Re-interment indicate the place of death to be Cabanatuan Prison Camps 1 & 3, Luzon, P.I.
 - d. All Reports of Re-interment indicate the date of death to be within the period of time that the Cabanatuan Prison Camp was in operation as a POW Camps.
 - e. The majority of Reports of Re-interment indicate that the original burial reveals more common graves than individual burials.
 - f. All Reports of Re-interment contain a tooth chart of the deceased concerned.
2. Photostat list taken from original notebooks which contained the death records of Cabanatuan Camps No. 1 & 3, was compiled by Captain Robert E. Gonn, Jr. during his internment at Cabanatuan (Incl #3). The original notebooks were used by the War Crimes Commission in connection with the trial of General Honma.
3. Roster of individuals originally interred in the American POW Cabanatuan Camps 1, 2 & 3 Cemeteries, indicating in some instances the grave location (See Incl #2). This roster was received from the Miraloma Depot, California, and constitutes a part of the records of an inactivated unit, the 111th QM Graves Registration Platoon. The cover letter of the roster was signed by Maurice S. Beard, 2nd Lt. CWS.

RESULTS OF INVESTIGATION

1. AGO Reports of Death are on file for each of the deceased listed in Incl #1. The place of death and the date of death as shown on each Report of Re-interment agrees with the place and date of death indicated on the AGO Reports of Death.

Camp Cabanatuan, Manila #2, Luzon, P.I. (Results of Investigation, cont'd)

2. The grave location indicated on the face of each of the Reports of Re-interment agrees with the grave location on the original Roster of POW Internments at Cabanatuan POW Camps 1, 2 & 3, (Incl #2), where indicated. Grave markings for the common and individual graves were not used until 30 July 1942. Until this date, 1260 deceased were interred in Cabanatuan POW Camps 1, 2 & 3 in common graves without markings.
3. A letter was obtained from Captain Conn, (Incl #4), mentioned in paragraph 2 directly above, the person directly responsible for the compilation of Death Records in Cabanatuan (Incl #3), which states that he, Captain Conn, sincerely believes the roster burials (Incl #2) is accurate.
4. A signed statement by Lt. Col. John K. Borneman, Ch.C., O-266084, (Incl #5) TDY to this office, substantiates that he, as one of the 14 functioning Chaplains of Cabanatuan Prison Camp, conducted services for many of the deceased listed on attached roster (Incl #1). He also confirms the fact that Captain Robert E. Conn, Jr., was directly responsible for the gathering and recording of information shown on Death Records of Cabanatuan (Incl #3).
5. Dental Records for each deceased indicated on the inclosed roster (Incl #1) were obtained from AGO Demobilized Records Branch, St. Louis, for a comparison with the dental charts made on the reverse side of the pertinent Report of Re-interment. A verified comparison was made in each case by Colonel George H. Kennebeck, DC., and Major Donald C. Shenberger, DC., and a signed certificate to this effect attached to each case.

BASIS FOR IDENTIFICATION

1. Agreement of AGO Report of Death and Report of Re-interment as to place of death and date of death in each case.
2. Agreement of the original grave locations noted on the Reports of Reburial in Manila #2, with the roster of burials (Incl #2), and Death Reports of Cabanatuan 1 & 3 (Incl #3).
3. Statement by interested parties (Incls #4 & #5) that the roster of burials is authentic.
4. Verified tooth chart comparisons on the names listed on Incl #1. The comparisons as made are in agreement with grave location indicated on the roster of burials (Incl #2).

CONCLUSION

In view of the above indicated facts, it is determined that the remains now interred as Unknowns in US Military Cemetery, Manila #2, as indicated on the inclosed roster (Incl #1), are those of the deceased whose names are listed on the same line of the roster.

Declassified E.O. 13526

Camp Cabanatuan, Manilla #2, Luzon, P. I. (Results of Investigation, cont'd).

Although there are 2,663 deceased listed on the roster of burials for Cabanatuan POW Cemetery, 1,575 are cases to be identified by this office. The remaining deceased have either been identified or there is no Report of Internment covering the case on file in this office. This case history covers the identification of 287 of the total 1,575 to be identified. The number of case remaining to be identified, 1288 are not being presented as part of this case history as further investigation is necessary to complete the cases. It is felt that the 287 covered by this case history should be approved as soon as possible in order that each pertinent next of kin may be notified at an early date.
