**FIRST AMENDED COMPLAINT**

Plaintiff John Eakin brings this action against Defendant U.S. Department of Defense to compel compliance with the Freedom of Information Act, 5 U.S.C. §552 (“FOIA”).

As grounds therefore, Plaintiff alleges as follows:

**JURISDICTION AND VENUE**

1. The Court has jurisdiction over this action pursuant to 5 U.S.C. § 552(a)(4)(B) and 28 U.S.C. §1331.
2. Venue is proper in this district pursuant to 28 U.S.C. § 1391(e).

**PARTIES**

3. Plaintiff John Eakin engages in non-commercial research concerning the disposition of missing in action military personnel and shares such research with families of the missing. Plaintiff seeks to promote transparency, accountability, and integrity in government and fidelity to the rule of law.

4. Defendant U.S. Department of Defense is an agency of the United States Government and is headquartered at 1400 Defense Pentagon, Washington, DC 20301.

Defendant has possession, custody, and control of records to which Plaintiff seeks access.

### **RELATED LITIGATION**

5. On September 28, 2010, Plaintiff filed a related FOIA complaint in this court, Eakin v. U.S. Department of Defense, SA-10-CA-O748-FB (NSN), seeking records under the Freedom of Information Act. Certain of the same records are involved in this complaint.

6. On October 18, 2012, Plaintiff filed a related complaint in this court, Eakin vs. American Battle Monuments Commission, SA-12-CA-1002-FB (HJB) seeking the return of the remains of a family member missing since World War II and erroneously buried as an Unknown.

### **STATEMENT OF FACTS**

7. On May 10, 2016, Plaintiff submitted a FOIA request to the Office of the Secretary of Defense/Joint Staff, (DoD FOIA request number 16-F-0955), a component of Defendant agency, seeking the following:

Electronic (digital) copies of all World War II era Individual Deceased Personnel Files (IDPF's) a/k/a 293 files and/or "X-files" which exist in any digital or electronic format. Included in this request are any indices, data dictionaries, databases or other documents necessary to properly access the requested IDPF documents.

8. On May 11, 2016, Plaintiff submitted a FOIA request to the ODCMO Directorate for Oversight and Compliance, (DoD FOIA request number 16-F-0958), a component of Defendant agency, seeking the following:

1. All contracts, contract amendments/modifications, and similar documents pertaining to contracts for digital scanning of U.S. Army Individual Deceased Personnel Files (IDPFs) previously stored at National Archives and Records Administration (NARA) and which were funded by the Defense Personnel Accounting Agency (f/k/a Defense POW/MIA Accounting Office).

2. All documents which identify users/agencies having electronic access to the above described digitally scanned Individual Deceased Personnel Files (IDPFs).

9. Defendant notified Plaintiff by letter dated May 13, 2016, that his May 10, 2016 FOIA request (DoD FOIA request number 16-F-0955) had been received, but they would be unable to respond within the 20-day statutory time period. Defendants' letter provided instructions for appeal of this decision. On May 16, 2016, Plaintiff appealed Defendants' decision. Defendant has not responded to Plaintiff's appeal within the time allowed by law which constitutes constructive denial.

10. Defendant notified Plaintiff by email dated May 23, 2016, that his May 11, 2016 FOIA request (DoD FOIA request number 16-F-0958) had been received, but they would be unable to respond within the 20-day statutory time period. Defendants' letter provided instructions for appeal of this decision. On May 23, 2016, Plaintiff appealed Defendants' decision. Defendant has not responded to Plaintiff's appeal within the time allowed by law which constitutes constructive denial.

11. As of the date of this original Complaint, Defendant has failed to: (i) produce the requested records or demonstrate that the requested records are lawfully exempt from production; (ii) notify Plaintiff of the scope of any responsive records Defendant intends to produce or withhold and the reasons for any withholdings; or (iii) inform Plaintiff that it may appeal any adequately specific, adverse determination.

12. On December 18, 2019, Plaintiff filed a FOIA request with the U.S. Department of Defense requesting copies of the following documents not provided under FOIA requests submitted on May 10 and 11, 2016 and subsequently litigated in the Western District of Texas, civil case no. 5:16-16-cv-0972-RCL (DoD FOIA request numbers 16-F-0955 and 16-F-0958):

1. All contracts, contract amendments/modifications, and similar documents pertaining to contract5s for digital scanning of U.S. Army Individual Deceased Personnel Files (IDPFs) previously stored at National Archives and Records Administration (NARA) and which were funded by the Defense Personnel

Accounting Agency (f/ka Defense POW/MIA Accounting Office) or other agency on behalf of the DPAA.

2. All documents which identify users/agencies having electronic access to the above described digitally scanned Individual Deceased Personnel Files (IDPFs).

3. Electronic (digital) copies of all World War II era Individual Deceased Personnel Files (IDPF's) a/ka 293 files and/or "X-files" which exist in any digital or electronic format. Included in this request are any indices, data dictionaries, databases or other documents necessary to properly access the requested IDPF documents.

13. On December 20, 2019, the Department of Defense responded and assigned reference number 20-F-0416 to Plaintiff's request. This response stated, "we will not be able to respond within the FOIA's 20-day statutory time period as there are unusual circumstances which impact our ability to quickly process your request."

14. The Department of Defense has constructively denied Plaintiff's request and Plaintiff has exhausted his administrative remedies.

15. As of the date of this amended Complaint, Defendant has failed to: (i) produce the requested records or demonstrate that the requested records are lawfully exempt from production; (ii) notify Plaintiff of the scope of any responsive records Defendant intends to produce or withhold and the reasons for any withholdings; or (iii) inform Plaintiff that it may appeal any adequately specific, adverse determination.

**COUNT I**  
**(Violation of FOIA, 5 U.S.C. § 552)**

16. Plaintiff realleges paragraphs 1 through 15 as if fully stated herein.

17. Defendant is violating FOIA by failing to search for and produce all records responsive to Plaintiff's request or demonstrate that the requested records are lawfully exempt from production.

18. Plaintiff is being irreparably harmed by reason of Defendant's violation of FOIA, and Plaintiff will continue to be irreparably harmed unless Defendant is compelled to comply with FOIA.

19. To trigger FOIA's administrative exhaustion requirement, Defendant was required to determine whether to comply with Plaintiff's request within twenty (20) working days of receiving the request. At a minimum, Defendant was required to: (i) gather and review the requested documents; (ii) determine and communicate to Plaintiff the scope of any responsive records Defendant intended to produce or withhold and the reasons for any withholdings; and (iii) inform Plaintiff that it may appeal any adequately specific, adverse determination. *See, e.g., Citizens for Responsibility and Ethics in Washington v. Federal Election Commission*, 711 F.3d 180, 188-89 (D.C. Cir. 2013).

20. Because Defendant failed to determine whether to comply with Plaintiff's request within the time period required by FOIA, Plaintiff is deemed to have exhausted his administrative appeal remedies. 5 U.S.C. § 552(a)(6)(C)(i).

WHEREFORE, Plaintiff respectfully requests that the Court: (1) order Defendant to search for any and all records responsive to Plaintiff's FOIA request and demonstrate that it employed search methods reasonably calculated to uncover all records responsive to the request; (2) order Defendant to produce, by a date certain, any and all non-exempt records responsive to

Plaintiff's FOIA request and a Vaughn index of any responsive records withheld under claim of exemption; (3) enjoin Defendant from continuing to withhold any and all non-exempt records responsive to Plaintiff's FOIA request; (4) grant Plaintiff an award of attorneys' fees and other litigation costs reasonably incurred in this action pursuant to 5 U.S.C. § 552(a)(4)(E); and (5) grant Plaintiff such other relief as the Court deems just and proper.

Dated: February 19, 2020

Respectfully submitted,

/s/ John Eakin

Dear Mr. Eakin:

This is an interim response to your enclosed May 10, 2016, Freedom of Information Act (FOIA) request. Your request was received in this office on May 10, 2016, and assigned FOIA case number 16-F-0955. We ask that you use this number when referring to your request.

You should know that although we have already begun processing your request, we will not be able to respond to your request within the FOIA's 20-day statutory time period as there are unusual circumstances which impact our ability to quickly process your request. These unusual circumstances are (a) the need to search for and collect records from a facility geographically separated from this office; (b) the potential volume of records responsive to your request; and (c) the need for consultation with one or more other agencies or DoD components having a substantial interest in either the determination or the subject matter of the records. For these reasons, your request has been placed in our complex processing queue and will be worked in the order the request was received. Our current administrative workload is 1,663 open requests. We regret the anticipated delay in responding to your request and your continued patience is appreciated.

If you have any questions, please contact the Action Officer assigned to your request, Charles Marye, at [charles.c.marye.civ@mail.mil](mailto:charles.c.marye.civ@mail.mil) or (571) 372-0407.

RE: Freedom of Information Request

Dear Sir or Madam::;

The following request is submitted under the provisions of the Freedom of Information Act, 5 U.S. Code § 552.

I request electronic (digital) copies of all World War II era Individual Deceased Personnel Files (IDPF's) a/k/a 293 files and/or "X-files" which exist in any digital or electronic format. Included in this request are any indices, data dictionaries, databases or other documents necessary to properly access the requested IDPF documents. While this request is only for existing digital documents, I request that it be considered as ongoing as additional qualifying documents are located or converted to digital format.

Paper (hardcopies) of the requested records were originally located at the Washington National Records Center (WNRC), a NARA prearchival facility in Suitland, Maryland. The U.S. Army is the owner of these IDPF files which were placed in the facility in 1970. The U.S. Army Adjutant General is the Executive Agent (EA) for the records, but the U.S. Army Records Management and Declassification Agency (RMDA) in Ft. Belvoir, VA was tasked with control of the records. In Fiscal Year 2012, a three year project was begun to scan all 442,000 IDPF files into an archival data library. Primary funding for this digitization project was included in the budget of the Defense POW/MIA Office (DPMO) (now known as the Defense Personnel Accounting Agency [DPAA]). It is these digital documents, along with other existing digital documents that have been created outside of this three year program, which are requested.

In addition to the digital documents created at Ft. Belvoir, VA pursuant to the DPMO/DPAA contract, additional files are believed to exist at the former Joint POW/MIA Accounting Command (JPAC)(now a component of DPAA), the US Army Human Resources Command, and the various military Services casualty offices.

Helotes, TX 78023

Dear Mr. Eakin:

This is an interim response to your December 18, 2019 Freedom of Information Act (FOIA) request, a copy of which is enclosed for your convenience. We received your request on December 18, 2019, and assigned it case number 20-F-0416. We ask that you use this number when referring to your request.

Although we have already begun processing your request, we will not be able to respond within the FOIA's 20-day statutory time period as there are unusual circumstances which impact our ability to quickly process your request. The FOIA defines unusual circumstances as (a) the need to search for and collect records from a facility geographically separated from this office; (b) the potential volume of records responsive to your request; and (c) the need for consultation with one or more other agencies or DoD components having a substantial interest in either the determination or the subject matter of the records. At least one, if not more of these scenarios applies or would likely apply to your request. While this office handles FOIA requests for the Office of the Secretary of Defense (OSD), the Joint Staff (JS) and other component offices, we do not actually hold their records and our office is not geographically located with these organizations. As we do not hold the records, until the required records searches are complete, we are unable to estimate the potential volume of records or the number of consultations that will be required to make a release determination.

Your request has been placed in our complex processing queue and is being worked based on the order in which the request was received. Our current administrative workload is approximately 3,120 open requests.

In some instances, we have found that requesters who narrow the scope of their requests experience a reduction in the time needed to process their requests.

The OSD/JS FOIA Public Liaison, Darrell Williams, is available at 571-372-0462 or by email at [OSD.FOIALiaison@mail.mil](mailto:OSD.FOIALiaison@mail.mil) to answer any concerns about the foregoing.

Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows:

RE: Freedom of Information Request

Dear Sir or Madam::

The following request is submitted under the provisions of the Freedom of Information Act, 5 U.S. Code § 552.

I request copies of the following documents not provided under FOIA requests submitted on May 10 and 11, 2016 and subsequently litigated in the Western District of Texas, civil case no. 5:16-16-cv-0975-RCL (DoD FOIA request numbers 16-F-0955 and 16-F-0958):

1. All contracts, contract amendments/modifications, and similar documents pertaining to contracts for digital scanning of U.S. Army Individual Deceased Personnel Files (IDPFs) previously stored at National Archives and Records Administration (NARA) and which were funded by the Defense Personnel Accounting Agency (f/k/a Defense POW/MIA Accounting Office) on other agency on behalf of the DPAA.
2. All documents which identify users/agencies having electronic access to the above described digitally scanned Individual Deceased Personnel Files (IDPFs).
3. Electronic (digital) copies of all World War II era Individual Deceased Personnel Files (IDPF's) a/k/a 293 files and/or "X-files" which exist in any digital or electronic format. Included in this request are any indices, data dictionaries, databases or other documents necessary to properly access the requested IDPF documents.

Where documents exist in multiple electronic formats, delivery in searchable portable document format (.pdf) is preferred and requested.

Delivery of the requested documents may be by file transfer protocol (FTP) or by delivery of portable USB hard drives which I will supply upon request.

I agree to pay all reasonable fees involved in copying these digital files. Please contact me if these fees are expected to exceed \$500.00.

As the digitization of these files is an ongoing project, I intend to submit additional FOIA requests for subsequently scanned documents at approximate **thirty day** intervals. Please let me know if an alternate arrangement such as treating this as a single ongoing request would be more convenient for your office.

I invite any suggestions or proposals which would expedite or simplify this request. My objective is simply to obtain the requested documents and I will be happy to cooperate in any way possible.

Please immediately provide me with the log number assigned to this request. I further request that you contact me by email to discuss expected delivery dates of the requested documents as I will consider non-compliance with the requirements of 5 USC § 552(a)(6) to be constructive denial of this request.

Sincerely:

/s/ John Eakin
