**STATUS REPORT**

The United States Department of Defense, by and through its undersigned counsel, respectfully files the following Status Report regarding this matter.

1. On March 24, 2021, the government produced 1,591 “I” IDPFs (totaling 19.56 GB) to Plaintiff. This replacement production contained all currently available “I” IDPFs scanned by DPAA contractors, including some or all of those previously produced to Plaintiff.

2. On April 5, 2021, the government produced 9,617 “J” IDPFs (totaling 117.73 GB) to Plaintiff. This replacement production contained all currently available “J” IDPFs scanned by DPAA contractors, including some or all of those previously produced to Plaintiff.

3. AHRC is re-reviewing the “F” IDPFs identified by DPAA. After completing the “F” IDPFs, AHRC will review the “G” IDPFs.

4. The government intends to provide further status reports upon the production of each set of replacement files.

Dated: April 6, 2021

Respectfully submitted,

ASHLEY C. HOFF  
United States Attorney
