STATUS REPORT

The United States Department of Defense (DoD), by and through its undersigned counsel, respectfully files the following Status Report pursuant to the Court’s July 8, 2022 Order.

1. On August 3, 2022, the government produced 17,226 IDPFs to Plaintiff. The volume of this production was 424.1 GB. Included in the production were 12,068 “T” files, 864 “U” files, 8 “X” files, 2,067 “Y” files, and 2,219 “Z” files.
2. DoD reports that there are 147,036 M–Z IDPFs remaining to be reviewed for production to Plaintiff. DoD must review and produce 13,367 files each month for the next 11 months to complete its production by July 8, 2023.
3. Considering the foregoing, DoD states that it remains on track to complete its production of M–Z IDPFs in compliance with the deadline set forth in the Court’s Order. Accordingly, DoD will maintain the current levels of resourcing for this project at this time.

Dated: August 4, 2022

Respectfully submitted,

ASHLEY C. HOFF
United States Attorney
