That is fine with me if you need to seek an extension until April 19 to file your MSJ, provided that we receive an additional week to file our response to the MSJ. I believe that would make our response in opposition due May 10.

Sincerely,

John & Ron,

I'm going to need to seek an extension for my summary judgment motion. The written discovery that you served at the very last minute has provided an unexpected burden. And I've also had another briefing deadline in another case crop up for April 12. In addition, one of my expert witnesses belatedly informed me (yesterday) that he will be out of the country and unavailable until April 15.

Would you consent to an extension until April 19? Also, at this point do you plan to cross-move for summary judgment?

Sincerely,

Galen
